

SANGEETH MK

IT Infrastructure Engineer - L2

Kannur, Kerala, India | +91 9020208490
sangeeth@sangeeth47.in | <https://sangeeth47.in>

PROFESSIONAL SUMMARY

Result-oriented IT Infrastructure Professional with 9 years of experience, including strong exposure to Datacenter Operations, Enterprise Network & Infrastructure Management, Disaster Recovery (DR), and System Administration. Most recently worked with Soffit Infrastructure Services supporting ESAF Small Finance Bank, managing mission-critical banking infrastructure with emphasis on network availability, security compliance, routing and switching, virtualization, and 24x7 operations.

Demonstrated expertise in LAN/WAN environments, Troubleshooting L2/L3 issues including VLAN, routing, firewall policies, Windows/Linux server administration, infrastructure migration, and incident management within enterprise datacenters. Proven ability to maintain stable, secure, and high-availability production environments while supporting large-scale enterprise IT and network operations.

CORE COMPETENCIES

- Security: Firewall Administration, VPN (Site-to-Site/Remote Access), ACLs, Network Hardening, IDS/IPS basics.
- Infrastructure: Datacenter Operations (DC-DR), Server Migration, Asset Management.
- Virtualization: VMware VxRail, vSphere, Microsoft Hyper-V, VDI (Ericom)
- Leadership: Team Mentoring, Vendor Management, SLA Management.

TECHNICAL PROFICIENCY

- **Network Security:** Fortinet, SOPHOS XG Firewalls, IPsec VPN, SSL VPN
- **Operating Systems:** Windows Server 2012/2016/2019/2022, RHEL 8.10 & 9
- **Virtualization Tools:** VMware VxRail, Citrix Virtual Apps, Ericom
- **IT Management Tools:** ManageEngine Endpoint Central, Veeam Backup
- **Cloud & Web:** Basics of AWS, Microsoft Azure, GCC

PROFESSIONAL EXPERIENCE

IT Infra Engineer | Soffit Infrastructure Services Pvt Ltd

Client: ESAF Small Finance Bank (Onsite Support) | Jun 2022 – Mar 2026

- Network Operations: Configure SOPHOS XG and Fortinet firewalls, Network Hardening, IDS/IPS, SNAT / DNAT, Setup syslog integration for centralized logging.
- Security & Patching: Lead the patch management lifecycle using WSUS and ManageEngine Patch Manager Plus. Implement OS hardening policies.
- Team Leadership: Supervise L1 engineers, manage shift rosters for 24x7 support, and oversee asset tracking.
- Disaster Recovery (DR): Execute quarterly DR drills to ensure compliance. Perform and validate monthly backup restoration tests.
- Server Administration: Manage and maintaining Windows Servers (2012–2022) and RHEL (8.10/9). Ensure 99.9% availability.
- Virtualization Management: Administer the VMware VxRail hyper-converged infrastructure. Conduct performance reviews and resource upgrades.

Key Projects & Highlights:

- **Datacenter Migration:** Played a key role in planning and coordinating the physical and virtual migration of datacenter assets.
- **Network Audit & Compliance:** Prepared and presented monthly Key Risk Indicator (KRI) reports, focusing on network security, firewall rule reviews, and patch compliance for network devices and systems.

System Administrator | ABC Group India

Kannur, Kerala | Feb 2020 – Apr 2022

- **Infrastructure Management:** Managed Windows Server 2012/2016/2019 and Windows Hypervisor Core 2019.
- **VDI Implementation:** Installed and configured Virtual Desktop Infrastructure using Citrix, Ericom, and Parallels.
- **Network Security:** Configured SOPHOS XG firewalls and established secure IPsec/SSL VPN tunnels.
- **Administration:** Managed Active Directory (AD), Group Policies (GPO), and Office 365 tenant migration.

Service Engineer | Penta Systems (Acer India Authorized Partner)

Kannur, Kerala | Jun 2019 – Dec 2019

- Delivered onsite warranty support for Acer enterprise clients, diagnosing hardware failures and performing OS installations.

Computer Hardware & Networking Engineer | San Computers

Kannur, Kerala | Oct 2016 – Oct 2018

- Provided L1 server support, troubleshooting client IT infrastructure, and managing LAN/WAN connectivity.

EDUCATION

BCA (Bachelor of Computer Applications)

Manipal University Jaipur | 2023 – 2026 | CGPA 8.43 (First Class with Distinction)

CCNA & MCSE Certification

NetLabs Institute of Advanced Networking | 2018 – 2019

Diploma in Computer Hardware & Networking

Govt. Polytechnic | 2015 – 2016
